

Community Awareness Night...

Bringing our Community Together

Wednesday, November 29th at the Lakeside Theater

6:30-8:00pm, light refreshments

We invite you to an informational night of conversation, healing and mental health education.

Greg Marley and members of NAMI Maine will be in Rangeley to provide insight and information on the following topics...

How do we process the grief of a tragic unexpected death?

How do we explain loss to our children?

What types of behavior should we watch for?

How do you connect people with the help they need?

Please join us so we may work together for the well-being of all
